  - September 26, 2019 (6:30 PM) - Location & Topic (TBD)
  - December 5, 2019 (6:30 PM) - Location & Topic (TBD)

**Stacy Carr-Poole** is the Executive Director of the **Bucks County Audubon Society** and has served in the role for the last three years. Prior to her tenure, she was the Director of Education for the Riverbend Environmental Education Center and an Outreach Coordinator for the National Wildlife Federation. She holds a Bachelor's of Science in Environmental Studies and Master's in Nonprofit Management. Bucks Audubon received a 2019 Mini-Grant for the Honey Hollow Watershed Wetland and Riparian Buffer Restoration Project. Stacy will share plans for the project.

**Faith Zerbe** is the Water Watch Director for **Delaware Riverkeeper Network**, a nonprofit whose staff and volunteers work throughout Pennsylvania, New Jersey, Delaware and New York, and at the federal level, on the issues, actions, regulations, legislation, policies, programs and decisions that impact the health of the Delaware River Watershed waterways. The Riverkeeper's staff and very active volunteers have a breadth of knowledge about the environment as well as expertise specific to rivers and watersheds. DRN provides effective environmental advocacy, volunteer monitoring programs, stream restoration projects and public education. Faith will discuss a number of topics including the Riverkeeper's Freshwater "Pearly Mussels" Monitoring Project, another 2019 Wild & Scenic grant winner.
